Dangerous Building Hearing Docket

Community Services will not hold a Dangerous Building Hearing in the month of January. I am currently in Fire Inspector School until February 20, 2007 on Monday through Friday 8 a.m. to 5 p.m. During that time Kelly Marvel and I will maintain contact and enforcement action on active Dangerous & Substandard Cases. Dangerous Building Hearings should resume in March 2007. If you have any questions please call me at 817-459-5981, or e-mail me at lucasn@ci.arlington.tx.us I will be checking voice messages and e-mail regularly.

Thanks,

Neal Lucas
